

UNJUST TAXATION—EVIDENCE OF FORCED HOMAGE AND SLAVERY TO BAAL.

Lets deviate for a moment and boldly address the taxation issue that I mentioned earlier. Think outside the box. We have been so condition on this subject matter it's like opening up a "can of worms" of skepticism. It doesn't matter if we are UNJUSTLY TAXED, it's only 75% of our hard earned dollars (Do the math with income tax and all the other hidden taxes like inflation)! Don't question just "render" (I'm being sarcastic). My God, I'm for FAIR taxes that actually help this country. Unfortunately, not one nickel of the "income tax" goes to help this country at all (research the Grace Report under President Reagan). Here's the news flash, it only pays a portion of interest on the national debt, GET READY, to the PRIVATE Federal Reserve System. Yes, you heard that correctly, "PRIVATE." There's nothing "Federal Government" about it. Your hard earned dollars line the pockets of the PRIVATE global banking elite. (Do your own research; don't take my word for it).

The government keeps barrowing money that can never be paid back, keeping the "sheeple," "indebted in perpetuity." Meaning never ending debt—slavery. By deception and force the people have been convinced to "split the bill" for their gross negligence of over-spending. This is not just! Look at it this way, if you personally live outside of your means eventually there will be a consequence. You may lose everything. But the government keeps barrowing from the "global mob" with no consequences. Why? They just pass the bills on to you "their surety and their economic slave." If you don't "voluntarily comply" to pay their bills you get threatened and even jailed. This is a contradiction. Voluntarily forced? This is flat out wrong! Slavery. Tyranny! This is the main reason I bring up this point. If we submit to the world's slavery I believe it flies in the face of the Kingship of Christ. Everyone needs to pray to find their own conviction in these matters with no condemnation.

Well, don't let it bother you. Don't do anything about it, "its just the way it is." **Pay up! Bring forth your "worship" of "tithes and offerings" to the house of baal or you will get you legs broken** (Again, I'm being sarcastic).

Look at the following quotes:

*"Give me control of a nation's money supply, and I care not who makes its laws."
(Mayer Rothschild, Private Banker)*

The 16th amendment in 1913 allegedly gave Congress the authority to enact "income tax." Here's a recent court case (one among many) debunking its validity.

"If you... examine [The 16th Amendment] carefully, you would find that a sufficient number of states never ratified that amendment." (US District Court Judge, James C. Fox, 2003)

Here's the kicker, we pay by "voluntary compliance" as earlier mentioned (research the IRS code to discover how many times "voluntary" is used). To reiterate, if it's voluntary than why is it enforced? Because "bullies" are emboldened when the people are full of fear and ignorance. Right is right and wrong is wrong—no matter how many generations have accepted "slavery" and passed it on to their children. "Pharaoh, let my people go!"

There should be an outcry, especially from Christians! Instead, people that stand up for what is right are “made examples of” and we think they are “dirty.” It’s all part of the “mind control” tactic to keep all the “sheeple” from knowing the truth. Fear speaks, “I don’t want to go to jail.” “I don’t want to be a martyr.” “I don’t want to be inconvenienced.” Understood, Who does? Remember, “Cowards will not enter the Kingdom of God.” Justice and “*regress of grievances...*,” (1st Amend.) can only be found if, collectively, hundreds of thousands of us stand up by the power of the Holy Spirit in the face of fear and demand the TRUTH! There’s power in numbers. That is what the demonized tyrants fear. The devil fears our united voice and action! Lets get on the same page, based on the common ground of truth, if we want results. (1 Cor. 1:10) Think about it, don’t just turn off and disregard the TRUTH for being some “wack nut” conspiracy theory. Here’s the bottom line of what I believe the Lord is saying, not my opinion, “Baal wants your worship with your loyalty and “tithes and offerings.” If you only knew what abominable acts your “fair share” is helping to propagate you would “sigh and cry?”

“Our two greatest enemies are fear and ignorance. These are the two injected fangs of the serpent to keep us powerless.” (Jeffrey Leonard, Parrott)

This article has by no means been exhaustive. I felt it was important to bring an overview to provoke thought, personal research, discussion, and prayer.
