

URGENT CALL!

Here's an excerpt of a vision in "The Call" about an encounter with Jonah.

"Great storms are coming upon the earth,' Jonah continued. 'I slept when the storm came upon the ship while running from the Lord. The church is also sleeping. I was the prophet of God, but the heathen have more discernment than the church at this time. They know when the church is going the wrong way, and they are shaking the church, trying to wake you up so that you will call on your God.'

'Soon leaders of the world will cast you overboard, just as the men in that ship had to do to me. They will not let you keep going in the way you are headed. This is the grace of God to you. He will then discipline you with the great beast that comes up from the sea. It will swallow you for a time, but you will be vomited out of it. Then you will preach His message.'

'...The church is running from the presence of the Lord. It is running to activity in place of seeking the Lord's presence. You may call your activity 'ministry,' but it is actually running from the presence of the Lord. As I have said, the church is running to Tarshish so that it can trade with the world and seek the treasures of the sea, while the greater treasures—the treasure of heaven—few are seeking.'

'The sin of wanting to trade with the world has entangled the church, just as I was entangled in the belly of the beast with the weeds wrapped around my head. The weeds, the cares of the world, have wrapped themselves around the mind of the church. It took me three days to turn to the Lord because I was so entangled. It is taking Christians much longer. Their minds are so entangled with the world, and they have fallen to such depths, that many have no hope of getting free. You must turn to the Lord instead of away from Him!'

'Those who have tried to follow Him by just seeking Him once a week in a church service while they spend the rest of the week seeking the world will soon fall away. Those who call upon His name thinking that HE is their servant also will soon fall away. He is the Lord of all and all will soon know this! First, His own people must know it, so the judgment is going to begin with His own household.'

'God does not exist for the sake of His house—His house exists for Him.'" (The Call,

Rick Joyner, Pages 47-51)

Here's the URGENT call. Repent! Get delivered! And prepare! In the next few years the mask is coming off and the "beast" will show his true colors. The Father told me, "Babylon is passing law after law under the radar of the masses; motivated by an antichrist spirit to silence the ekklesia." This has significantly accelerated over the last decade. We must rise up NOW if we don't want to live in a NAZI controlled environment. The newest disguise, used to control the masses with fear, is the "war on terror." **Remember, the ultimate purpose is to keep the REAL church distracted, minimized and ineffective.**

Lets identify some of the higher level "symptoms:" attacks against the Bill of Rights, Hate crimes, sodomite agenda, abortion, Martial Law (communistic police state), Real ID Act (National ID card on your Drivers Lic., "mark of the beast," May 2008), North American Union (Merging Mexico, America and Canada), mass killings, collapse of the dollar, Council On Foreign Relations (behind the scenes, Globalist control of U.S. Foreign policy), FEMA concentration camps, Genetically Modified Food

(GM/GMO)) creating major health issues), pedophile rings, child pornography, sex slave trafficking, violent Islamic Jihad, 911 lies, Patriot Act, Homeland Security, unjust taxes, inflation, Federal Reserve, national debt, etc., etc., etc. We are being hemmed in all around. We are fed this false “right” and “left” paradigm to give the illusion of choice. It’s a polarization to “divide and conquer” the people. News flash: the Democrats and Republicans are both controlled by the same demonic ruling Bankers motivated by greed and global domination. (2 Cor. 11:13-15)

We need to WAKE UP! We are being barraged on every side! It’s been well craft deception. Demonic brilliance. Incrementalism. Like the proverbial “frog in the pot of boiling water.” A lot of people are caught off guard, unsuspecting, because they are running in the “hamster wheel” of life just “trying to survive.” How can someone who is deceived know that they are deceived? I’m talking about people in the church! It takes the Light of the Word and the voice of truth to break deception! There’s destruction all around us. Divorce is devouring families. Just to cope with the pain, people “numb out” by running to addictions on all fronts. Sexual promiscuity, abortion and homosexuality are rampant to ensnare this generation. We are surrounded by violence, poverty, greed and all kinds of darkness. False religions, gurus, witchcraft and “hug a tree” foundations are ushering in people by the droves offering false hope. Bondage begets more bondage. Sin begets death. That which we compromise with now will soon master us! The devil isn’t playing, he’s “*the father of lies.*” (John 8:44) In order for there to be change we must first deal with the root problem. We must turn on the LIGHTS. “***Walk in the light...***” (1 John 1:7)

“Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. 16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.” (1 John 2:15-16)

A parable: You were served a glass of water and the host exclaims, “This is a cold refreshing glass of water that will quench your thirst.” As you were ready to take a drink, the host adds, “the water only has a small amount of sewage in it. Drink up!” Would it still be acceptable to you? Of course not! I’m revealing to you there’s worldly sewage in the water! Now, how do you think God feels when we serve Him with just a portion of our hearts. He’s either Lord of all or not Lord at all. Let me bring it home to you. “Well, Lord here’s my heart but don’t mind a ‘little bit’ of pride and greed. Don’t mind a ‘little bit’ of pornography and sexual fantasy. Don’t mind a ‘little bit’ of idolatry and rebellion. Don’t mind a ‘little bit’ of disloyalty and unfaithfulness. Don’t mind me giving what’s clearly Yours to ‘caesar.’”

“For my people have committed two evils; they have forsaken me the fountain of living waters, and hewed them out cisterns, broken cisterns, that can hold no water.” (Jer. 2:13)

“And he said unto them, Take heed, and beware of covetousness: for a man’s life consisteth not in the abundance of the things which he possesseth. 16 And he spake a parable unto them, saying, The ground of a certain rich man brought forth plentifully: 17 And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits? 18 And he said, This will I do: I will pull down my barns, and build greater; and there will I bestow all my fruits and my goods. 19 And I will say to my soul, Soul, thou hast much goods laid up for many years; take thine ease, eat, drink, and be merry. 20 But God said unto him, Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided? 21 So is he that layeth up treasure for himself, and is not rich toward God.” (Lk. 12:15-21)

I know this sounds harsh. My heart breaks. I'm being courageous to even address these issues. I know I can be rejected and scorned but love is willing to take a risk. You are worth it. We need to take our medicine if we are to get better.

The majority of us have an allegiance to two kingdoms and don't even know it. "*A double minded man is unstable in all his ways.*" (Jas. 1:8) Here's the fact—IT'S IDOLATRY! The Lord can't bless mixture. No matter how small it is. "*A little leaven leaveneth the whole lump.*" (Gal. 5:9) "*The little foxes... spoil the vines...*" (Song. 2:15) The enemy of our soul has been eroding our faith little by little. Of course, it's at different levels according to the individual. There is confusion, division, and instability; not only in our personal lives but multiplied by millions of people. This is why communities, states and nations are so volatile with wickedness.

The Word says:

"When the righteous are in authority, the people rejoice: but when the wicked beareth rule, the people mourn." (Pro. 29:2)

"When the wicked are multiplied, transgression increaseth: but the righteous shall see their fall." (Pro. 29:16)

"If a ruler hearken to lies, all his servants are wicked." (Pro. 29:12)

"When the wicked rise, men hide themselves: but when they perish, the righteous increase." (Pro. 28:28)

"When righteous men do rejoice, there is great glory: but when the wicked rise, a man is hidden." (Pro. 28:12)

In light of this understanding, we must be "Disciples" and "Ambassadors for Christ" not just good church going Americans. It's a pursuit. A journey that the Lord will help us on, if we set our hearts on Him. "*Because thou hast been my help... My soul followeth hard after thee...*" (Ps. 63:7-8) We need to "*work out your own salvation with fear and trembling.*" (Phil. 2:12) Today, God is calling the remnant "out of Egypt." It's time for another exodus! We must "come out" from any Laodicean slumber! Don't let your heart drift into the shadows apostasy. Shake yourself. Don't be a STATISTIC.

I speak through brokenness before God! So, I don't come with a critical spirit, I come with a rent (torn) heart. We need to return to the "old paths." "*Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls...*" (Jer. 6:16)

We are supposed to be "the salt (influence) of the earth." As our Messiah warned us, "*but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under the foot of men.*" (Matt. 5:13)

This is what we see today. It's "high time" for change! AMEN!

“And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.” (Rom. 13:11)

“Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.” (Albert Einstein)
